Our family shelter, Pear Blossom Place, is kept open 24/7 by a combination of staff, interns, and volunteers. We presently need volunteers to cover shifts between 5:00pm and 7:00am.

All volunteers are scheduled in pairs—consider signing up with a friend! We will provide a shelter orientation and an introduction to trauma-informed community services.

We also schedule interested volunteers to host regular activities, e.g., music lessons, early literacy, cooking, crafts. We encourage persons looking to host activities to sign up for *evening shifts*.

Application Process

1. Complete an online application.
2. Attend a volunteer orientation.
3. Come for a training shift.
