

and resource to support w/ housing placement for RRH clients. Primary focus is landlord engagement, NOT case management.

RRH and/or next available housing resource is distributed based on Master List Placement

CAT 4: Danger assessment score of 18+ should receive RRH

For RRH clients, connect with Retention Staff pre lease signing/home inspection. HFS case manager needs to ensure client has the RRH needed to remain housed; stay in contact with retention case manager Case managers follow clients to end of RRH coupon and Responsible for HMIS Exits

CAT 2 & 3 families how can we divert from homeless system.... HUMI? Responsible for full case management services until the family is housed. HUMI move in assistance = RRH = Retention Eligible. Make direct connection to Retention Staff

- tions as needed start relationship then!
- Completion of retention assessment, housing stability plans, etc.
- Retention CMs to support with case management and ensuring housing stability for family. If additional rental assistance is needed, connect back with HFS case manager for additional RRH support.
- GOAL is for long term financial & housing stability of families.
- Jonita to receive all NEW retention for August 2017
- Rachel maintain current case load
- Linda support AJ with shelter families moving
